Required for January 2024

St Cuthbert's RC Academy Trust is committed to safeguarding and promoting the welfare of children and young people.

The Creative Arts department at St Mary's College is looking for an enthusiastic and passionate Teacher of Art, Design and Photography, with the ability to teach across Key Stages 3, 4 and 5, including GCSE Art and Design, GCSE Photography, A Level Photography and A Levels in Art and Design.

The successful candidate will be dedicated to working with, and making a difference to young people. They will be passionate about the teaching of their subject, a strong team-player and have a clear vision to further build upon our success. Supporting the vast enrichment offer of the school is important to us, and knowledge and experience in teaching across a range of disciplines would be an advantage.

Creative Arts subjects are popular choices at KS4 and KS5, and all students study both Art and D&T in KS3. Outcomes are truly exceptional and are a result of outstanding teaching, opportunities and enrichment; fully supported by state of the art and industry-standard facilities.
